PRODUCTS

Virgin Coconut Oil

Virgin Coconut Oil (VCO) is a versatile, premium-quality coconut oil derived from fresh coconuts. With its naturally distinctive aroma and flavor, it offers a flexible ingredient solution for food, wellness, cosmetic, and personal care products.

PRODUCTS

RBD Coconut Oil

Refined, Bleached, and Deodorized (RBD) Coconut Oil is a refined vegetable oil derived from coconut, processed to achieve a clean appearance, neutral aroma, and consistent quality. Its functional properties and versatility make it suitable for various applications, including food processing, cooking, frying, bakery, confectionery, cosmetics, and oleochemical manufacturing.

PRODUCTS

Liquid Stevia Concentrate

Stevia is a natural sweetener derived from ***Stevia rebaudiana*** leaves, with sweetness primarily provided by naturally occurring steviol glycosides. It is widely used as a sugar alternative in beverages and food products, particularly in reduced-sugar formulations.

Liquid Cassava/Tapioca Sugar

Cassava sugar is derived from **cassava** (***Manihot esculenta***). It offers a versatile sweetening solution for food and beverage manufacturers. Suitable for a wide range of applications, it is an alternative ingredient for product formulations seeking plant-based sweetness.

PRODUCTS

Apple Cider Vinegar

Apple Cider Vinegar (ACV) made from carefully selected apples from **Malang**, **Indonesia**, delivering a distinctive fruity character and natural acidity. Its local origin adds a unique Indonesian identity to a versatile, naturally fermented vinegar.

Noni Vinegar

(Morinda citrifolia)

Noni Vinegar is a naturally fermented vinegar made from carefully selected **noni fruit** (***Morinda citrifolia***), known for its distinctive character and tangy flavor.

Noni naturally contains bioactive compounds such as iridoids, flavonoids, and phenolic compounds, which have been studied for their antioxidant and other biological activities.

PRODUCTS

Herbs & Roots Tea

Herbs & Roots Tea combines **ginger**, **lemongrass**, **turmeric**, and **galangal** in convenient **tea bags**.

Traditionally valued for their warming, digestive, antioxidant, and immune-supporting properties, this aromatic blend offers a distinctive herbal infusion for wellness-focused, retail, and everyday tea products.

PRODUCTS

Bitter Black Honey

Bitter Black Honey with Herbal Extracts blends natural **honey** with selected Indonesian botanicals, including **sambiloto** (***Andrographis paniculata***), **insulin plant leaves** (***Coccinia grandis***), **brotowali** (***Tinospora crispa***), ***mahogany*** (***Swietenia mahagoni***), and **propolis**.

Its distinctive **bitter-herbal taste** is naturally balanced by honey's sweetness, creating a unique wellness-oriented blend with antioxidant and immune-supporting properties.

PRODUCTS

Red Yeast Rice (Angkak) & Date Extract Honey Blend

Red Yeast Rice & Date Extract Honey Blend is a natural honey-based formulation combining date extract, honey, red yeast rice (angkak) extract, guava extract, and propolis. Rich in naturally occurring bioactive compounds, it offers antioxidant potential to support overall wellness.

PRODUCTS

Kapok Flower Honey

Natural honey derived from **kapok** (***Ceiba pentandra***) flowers, characterized by a mild sweetness, distinctive floral aroma, and smooth texture. Ideal for food, beverage, and natural honey product applications.

SOCIAL CARE

At **Bumi Sari Lokal**, we believe that international trade should create value beyond business transactions.

Through our affiliation with **Rewang Desa**, we support initiatives that contribute to the long-term economic development of village communities, creating opportunities for local businesses to grow and helping keep economic value circulating within the community.

By expanding the global presence of quality products, we aim to foster sustainable growth and shared value for both business and society.
